

**NaWaTech**

*Natural Water Systems and Treatment Technologies to cope with Water Shortages in urbanised Areas in India*

## 1st NaWaTech International Workshop

29<sup>th</sup> of November 2013

**Universitat Politècnica de Catalunya·BarcelonaTech**

09:30 – 10:00	Morning Coffee and Registration
10:00 – 10:45	Constructed wetlands as a low-cost natural technology for water treatment. Technical aspects and experiences. <i>Cristina Ávila, GEMMA - Group of Environmental Engineering and Microbiology. Universitat Politècnica de Catalunya·BarcelonaTech</i>
10:45 – 11:30	Environmental management tools supporting decisions in river basins. <i>Agustí Pérez-Foguet, University Research Institute for Sustainability Science and Technology. Universitat Politècnica de Catalunya·BarcelonaTech</i>
11:30 – 12:30	Posters session. Case studies on sustainable water management in developing countries.
12:30 – 13:30	Round table. Low-cost natural technologies and sustainable water management in developing countries.  <i>Agustí Pérez-Foguet, University Research Institute for Sustainability Science and Technology. Universitat Politècnica de Catalunya·BarcelonaTech</i>  <i>Pawan Labhasetwar, CSIR-NEERI, National Environmental Engineering Research Institute</i>  <i>Leonellha Barreto, Seecon international gmbh</i>

Registration form: <http://www.activacongresos.com/forms/nawatech2013/02/>

Last day for registration: 13<sup>th</sup> of November 2013

**Posters session:** Participants are kindly invited to submit an abstract of 150 words to [administracio.dehma@upc.edu](mailto:administracio.dehma@upc.edu) by 13<sup>th</sup> of November 2013. Notification of abstracts acceptance for posters session: 15<sup>th</sup> of November 2013. Poster size: 60 x 100 cm.

**Location:**

Universitat Politècnica de Catalunya·BarcelonaTech

School of Civil Engineering (ETSECCPB) Auditorium, Campus Nord UPC.

c/ Jordi Girona 1-3, Building C2, 08034 Barcelona
